Take the Data and Run!

You're looking at the future of data storage—the Sonnet Piccolo™ USB flash drive. No cables to connect, no drivers, software or adapters—just plug it in. Your computer sees Piccolo as a drive, but you'll view it as a small wonder. Portable and reliable, it's about the size of a car key, and has no moving parts, making this product a great medium for moving files between systems or for keeping projects secure.

Piccolo plugs directly into any USB port, including those on the Sonnet Tango. Offered in 256MB and 512 MB capacities, the Piccolo is a great alternative to removable media drives for people on the go. Forget about clicking, zipping, and all that jazz—Piccolo is in tune with your needs!
